CLASS DESCRIPTIONS

Freestyle Dance (4-7)

A fun freestyle class that combines four of the most popular forms of dance - Ballet, Street, Modern and Jazz - into simple routines that are both enjoyable and effective. Kids will discover rhythm, technique and teamwork skills, and will be dancing fit.

Freestyle Dance (8+)

A fun, up-beat workout that looks to teach great choreography to the latest chart music. These Freestyle classes will combine different forms of dance into enjoyable and effective routines, suitable for all levels of ability.

Fitness Fun (4 - 12)

A skill enhancing activities class designed to give children a rewarding cardio work-out whilst focussing on key elements such as catching, running, passing, general coordination and timing. Fun at any age.

Teen Circuit (13+)

A high intensity class designed to improve mobility, strength and stamina. Specifically created for participants aged sixteen and under the classes are welcome to all levels of ability and are a great way of getting fit.

Taekwondo (5+)

Taekwondo is an ancient form of unarmed combat and self defence, a Korean martial art which will teach you how to use punches, kicks, blocks, dodges and restraints to defend yourself. Benefits include: Concentration and increased attention span, Enhanced Co-ordination and Motor skills, Higher levels of Awareness and Safety Consciousness, Improved Study/Academic habits, Greater Respect and Discipline, The ability to Self Defend, Increased Self Confidence and Better Leadership/People Skills.

Child Swim Lessons

Ranging in age and ability from 4 to teenage years these classes help improve stamina, muscle tone and confidence allowing children to swim competently and safely at any age which can be invaluable for later participation in a variety of water based sports.

Designed exclusively for kids (ages 4-12), Zumbatomic classes are rockin', high-energy fitness-parties packed with specially choreographed, kid-friendly routines and all the music kids love, like hip-hop, reggaeton, cumbia and more. Parents love Zumbatomic because of the effects it has on kids, increasing their focus and self-confidence, boosting metabolism and enhancing coordination. Zumbatomic rounds out family fitness goals by giving parents a great reason to head to the gym – for themselves, for their kids, for a totally fun family experience.

Starts Friday 2nd September 2011
